(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

As demonstrated by the attached Preliminary Amendment, Transmittal Form and US Post Office Receipt, the Reply was in fact timely filed and the application should not have been abandoned. The applicant believe it is possible that the Office did not receive the Preliminary Amendment, which was responsive to the Notice of Missing Parts, as a result of the anthrax mail scares, which occurred in the Fall of 2001, which were at or about the time the Preliminary Amendment was sent to the Office.

(Please attach additional sheets if additional space is needed.)
